

# ImpactCap – Quick Start Guide

**Sports Intelligence Platform. Data That Wins.**

This guide will get you from account creation to exploring the full player market in minutes.

**Estimated Time:** 5–10 minutes

---

## 1. Create Your Account

- Go to: <https://impactcap.io>
- Click **Create Account**
- Enter:
  - Username
  - Email
  - Password

**Result:** You now have access to the ImpactCap command center.

---

## 2. Enter the Command Center

- After login, you will see available **Sports Intelligence Systems**
  - Football
  - Basketball
  - Soccer
  - Hockey
  - Lacrosse
- Select a sport
- Click **Start Analysis**

**Result:** You are now inside the analytics environment for that sport.

---

## 3. Explore the Player Market

- Select **Player Rankings Database**
- Click **Start Analysis**

Inside this module, you can:

- View ranked players across leagues
- See **Impact Scores**
- Evaluate **Fair Market Value (FMV)**
- Compare players across teams and divisions

👉 **This is the core of ImpactCap** — a full market view of players.

**Result:** You now have a ranked, data-driven view of the player market.

---

## 4. Use Key Tools (Optional)

Once inside the system, explore:

### Player Comparison Engine

- Compare players side-by-side
- Identify strengths, weaknesses, and gaps

### Winning Probability Engine

- Simulate matchups
- View win probabilities and team strength

### Impact Simulation Engine (*Pro Feature*)
